Guest-Ron Louisiana

Minutes of the previous meeting were read and on a motion by Gruendemann and 2nd, was approved as read.

Old Business: A night light for the flagpole has been installed and the bill received.

New Business:

Roadside mowing was discussed. The east half of the township was mowed, but not the west. If someone has time, some mowing can be done.

An L.P. contract with Dooley's was reviewed. Our L.P. supply is good for a couple years.

The state LRIP grant program was reviewed with no action to be taken for now.

Our request from Renville Sibley Power for re-imbursement for damages done to a tile/culvert area from years ago was denied, so we will be paying the full repair bill.

Supervisors discussed the Primary Election process and it appeared to go very well.

Supervisor Buysse shared that he did some repair work on our flags.

Supervisor Gruendemann reported that he found a site to order reflective posts to use by bridges in the township which won't break when hit. An attempt was made to order these, but it came back as unavailable. This will be checked into further.

Monthly bills were presented for review. Motion by Gruendemann to pay the bills submitted. The motion was 2nd and passed unanimously.
Treasurer Weikle reported a current checkbook balance of \$74,572.32 using checks #3273-3285.

The next meeting will be October 13 at 8:00 p.m.

Their being no further business, Gruendemann moved to adjourn. The motion passed.

Paul Simonsen,

Bandon Township Clerk
